

**“Alone we do
so little; together
we can do so
much.” -Helen Keller**

Why I'm a Strong Team Leader.

Ryan Hitt

Why Should You Listen?

- 10 Years of leadership experience
- Strong communication skills
- Passionate about learning and growing in web design

Why Am I In This Field?

- Started as a graphic design major
- Pursued music, but found my way back to school
- Curious about the technical side of design and its career opportunities
- Excited to grow in web design and development

Technical Skills

- Firm grasp of HTML and CSS
- Learning JavaScript basics
- Developing data management skills (Google Sheets, formulas)
- Eager to apply skills to group projects

What I Bring To The Team

- Leadership and teamwork from restaurant and school
- Focus on professionalism: time management, communication, and problem solving
- Ability to stay organized, meet deadlines, and work effectively in groups

Why I'm a Great Team Member

- Leadership experience, technical skills, and commitment to growth.
- Excited to contribute to our group's success.

In Summary...

- Passion for web design and development
- Strong technical foundation and continuous learning
- Success skills that ensure I contribute effectively to group projects

Let's build something together!
